### *Advanced Desktop Laser Performance*

The FAXPHONE® L90 combines the performance of a laser facsimile and a laser printer together for your small business or personal desktop. With the latest fax capabilities and a 15 page-per-minute laser printer, this stylish, low profile machine functions in the place of two devices.

With features such as a 30-sheet Automatic Document Feeder, Super G3 facsimile technology, and large 346-page fax memory, the FAXPHONE L90 surpasses single function fax machines.

Printed faxes and documents will both have the same result – quality laser output. The FAXPHONE L90 is the smart choice for desktop laser facsimile and printing performance.
